Following a successful posting and new member orientation, the application for membership appears before the Board for approval. The Board of Directors at the regular monthly board meetings or via electronic ballot will consider all invitees for membership for approval. In the electronic ballot process, if one vote against the prospective member is presented, the member will be brought before the Board for discussion at their next meeting. At the regular monthly meeting, if two (2) or more votes against approval of an invitation, the invitation is thereby withdrawn, and the individual will be so notified by letter accompanied by return of all payments tendered with the invitation.

After a successful vote by the Board, an Invitation for Membership will be extended. The invitation form must have the signature of two (2) members in good standing as sponsors. Appropriate payment or scheduling for payment for the initiation will be completed before a member number is assigned and access to the club is granted.
